

Are you a parent or caregiver of a child with needs in areas such as mental health, developmental disabilities, juvenile justice, school, child protection, health, etc.?

Would you like to be part of a group that:

- ✓ **Offers support to one another and learns about local resources.**
- ✓ **Supports a healthy, safe community where children and families are prepared to excel.**
- ✓ **Is empowered to educate policy makers and service providers about how to work more effectively with families and provide your unique insight on the impact of policies, resources, services, activities, etc. on children and families.**

If you answer yes to these questions, join Community Voices! Community Voices is a subcommittee of the Licking County Children and Families First Council (CFFC).
